

JUMP8

Some may want to play the classics and here is the 8x8 checkers board with no leapers and jumpers can jump any pieces if moving forward.

Play the old way if you want to.

RULES AND OBJECTIVES:

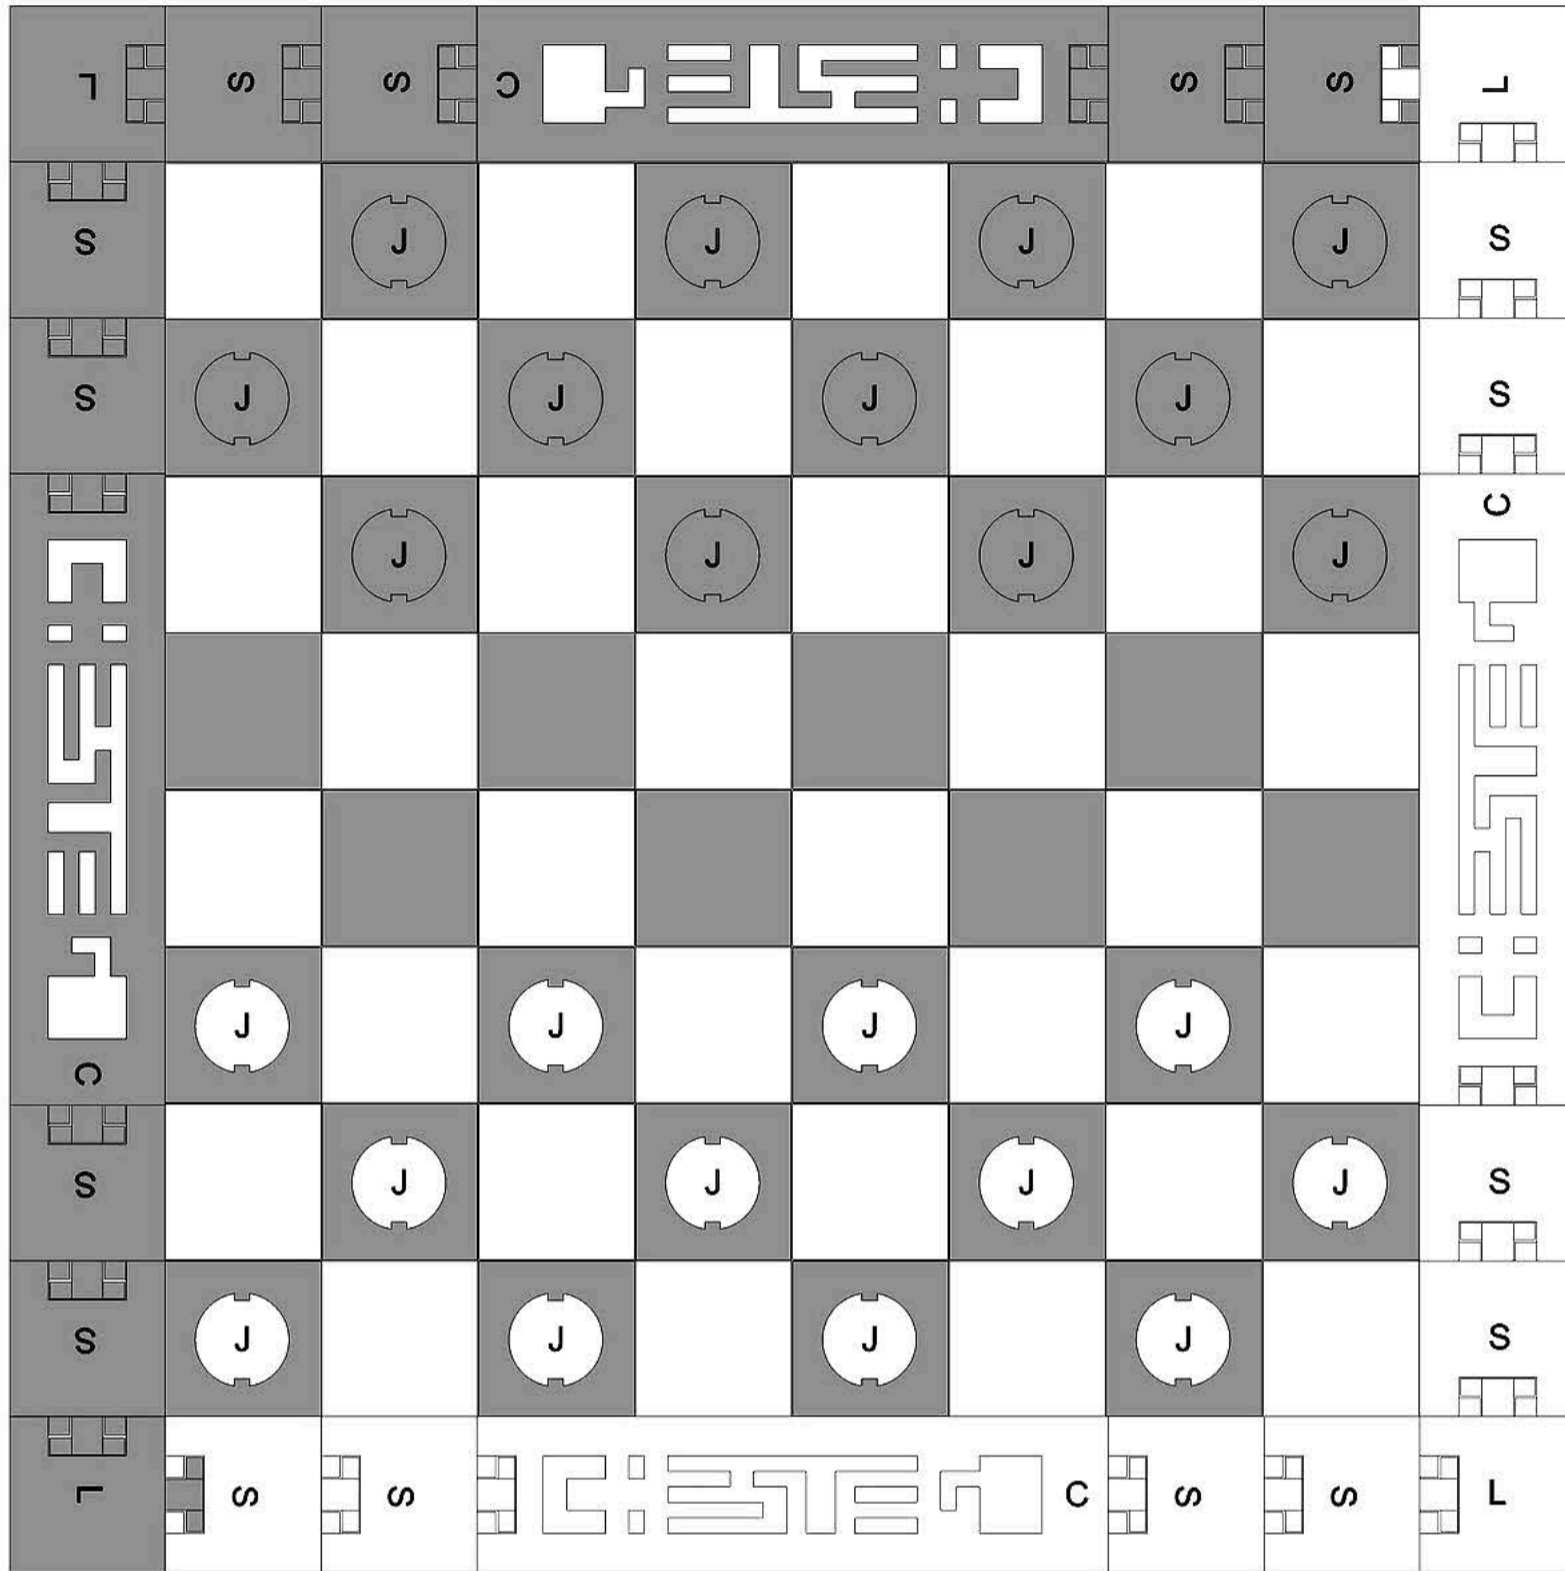

- The only way to upgrade is to get to the enemy back line.
- Jumping any piece completely eliminates them.
- Jumpers have been doing some jumping exercises and can now jump and eliminate leapers.

WIN CONDITION:

- eliminate all enemy pieces

BOARD SETUP

- 8X8 Square.

PIECE RULES

J JUMPER 12

- Jumper can Jump diagonally forward only.
- Can be promoted to a Leaper if Jumper reaches the other side.

J LEAPER S

- Promoted Leaper can Jump diagonally forward or reverse.
