

LAT

An variation of an ancient game called Ludus Latruncolorum

A game that has similarities to NEF but with a smaller board and two Queens.

RULES AND OBJECTIVES:

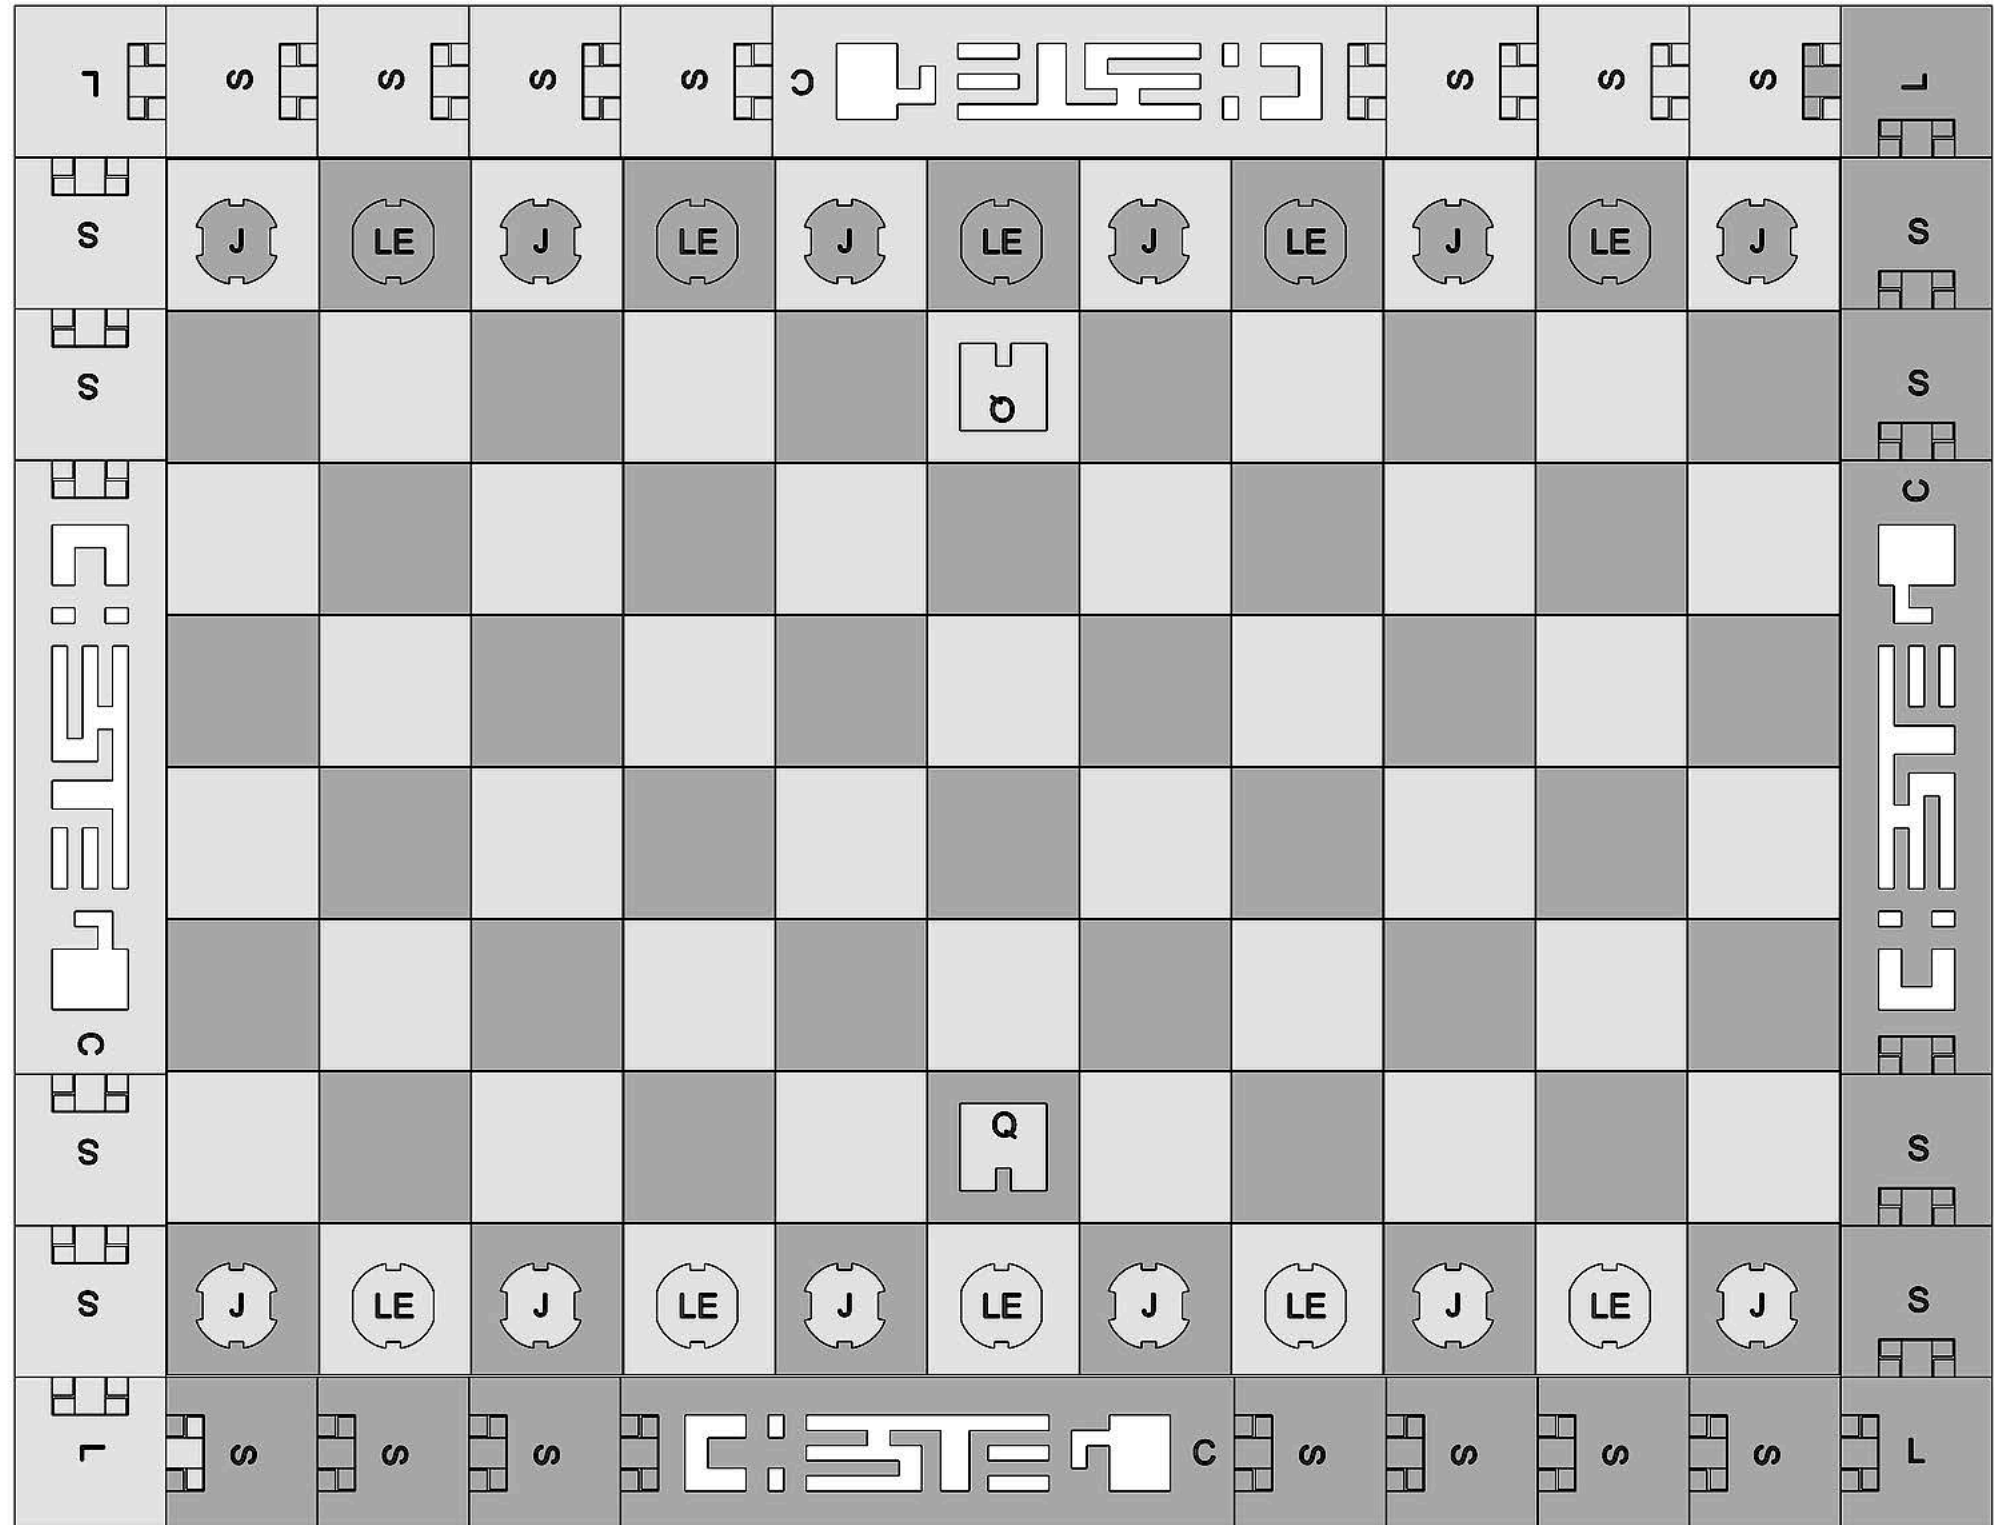

- Players attempt to surround enemy pieces to kill them.
- Players can pass between two enemies and even stop without being removed.
- Repeating sequences of moves are not allowed: if the same position occurs three times, with the same player to move, he must vary his attack.
- Friendly units count towards blocking friendly units.
- If a player either player only has 3 pieces or less, either king can be killed by being surrounded on only two sides.

WIN CONDITION:

- 1st player to kill the enemies Viking Queen or all pieces except for the Queen wins.
- Alternatively, if a player has no more moves he loses.

BOARD SETUP

- 8X11 Rectangle
